The '52 Blueprint Brought

. . . the noon talent shows—every one a winner.

. . . a full scale production of "Sweethearts".

. . . "apple polishing seniors.

. . . upsetting St. Rose and Forest in football.

. . . first and fifth period absence check.

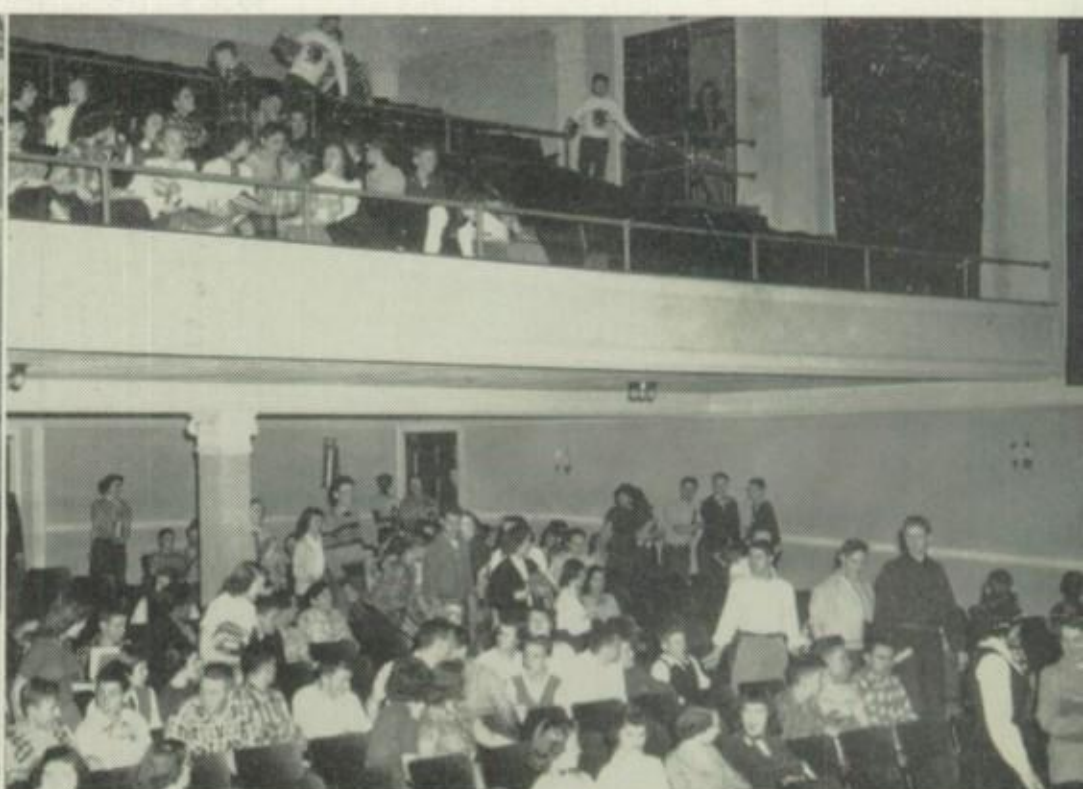

. . . special guidance assemblies.

. . . the new paint jobs in the upper hall.

Not enough snow to keep the
Shawnees off the reservation.

Three bells have sounded and
it's time for assembly.

Newer Ideas . . .

The books piled up on the floor, impatient and hungry students—the cafeteria line.

Study hall—for note passing, whispering, clanking half dollars and—studious people (?)

It's 3:52 and time to head home—another day is gone.

When building is to be done, plans must be made, blueprints must be drawn, workers must be secured — then construction starts.

BUILDING

Building what? Our first impulse, when "building" is mentioned, is to think of more classrooms. Why? To care for our increasing enrollment? Yes. However, let's take a broader view. We are attempting to build quality as well as quantity. We aim to better the quality and training of our teaching force, our course of study and scholastic attainment of our students.

Our aim is to build better individuals for the highly competitive game of life. Some ingredients for this kind of building are skill in preparing to earn a living and greater development of character. Another ingredient is a strong conception of civic duty. We hope to place emphasis upon vocational, social and educational guidance. We strive for finer relationship between teachers and pupils—to inspire greater school loyalty.

Such a building program cannot be carried out by the administrators alone, by the teachers or pupils alone. We must all plan, work and strive together for a better and lasting Shawnee structure. And you, parents, help us mix a lasting type of mortar.

The whistle is blowing, let us go to work.

Although somewhat handicapped by "growing pains," Shawnee continues to provide a wide and varied curriculum, and a large number of activities in which its students may participate. The basic college preparatory, general culture, vocational agriculture, home economics and the commercial courses all provide opportunity for students to elect the type of training they seek, according to their individual interests and abilities. To help the students explore and seek out vocational possibilities, they are further aided by many guidance devices and services. Excellent library facilities, teaching aids, various visual educational techniques, health services and driver's training all contribute to the educational needs of our youth. An adequate, well-trained teaching staff is working constantly to provide the type of instruction needed for effective life adjustment education for our students. Truly, we continue to grow, not alone in numbers but in educational service as well.

The Class of '52 has a pleasant and dignified past. There are members of this class in most of the activities in Shawnee High School. Under the supervision of Mrs. Bowers and Mr. Roeder this class has been successful in all their undertakings including "Our Miss Brooks," the senior class play. Wearing their class flower, the white carnation, honoring their class colors, blue and gray, and following their motto, "We build the ladder by which we rise," the seniors will strive to become better citizens and builders of whom we may be very proud.

SENIOR DOINGS

Learning about Social Security for government.

It's Carnival time, so "Vote for Dean!"

The traditional "seniors first"
 in leaving assembly.

A confab by the gals before
 going to class.

Sam, won't you ever clean
 out that locker?

Juniors

OFFICERS

President - Charles Baechler
Vice President - Dean Jackson
Secretary - - - Marilyn First
Treasurer - - Doris Simpkins

Success is at the top, and the ambitious juniors, working as a class, strive for this goal. The play "The Seventeenth Summer" was a prosperous accomplishment, as were their many other activities, under the direction of their most able advisers, Mr. Byerly and Mr. Lusk. They look back at their achievements and forward to their final and distinguished year when they will be the "Class of '53". As a building is no better than its foundation, this class wishes to be a portion of a foundation with potential capacity.

BLUE PRINT FOR LIVING

THE SHAWNEE WAY

to show that we grow mentally as well as physically

ACTIVITIES during school life . . . an important factor to all who get the most out of school life.

These organizations and activities are open to all, as there is a variety of interests to suit everyones taste, whether it be journalism, music or dramatics.

ACTIVITIES . . . DURING SCHOOL LIFE

Quilna

When school opened this fall your Quilna staff was ready to go. The first simple (?) task was to choose the theme.

After this was accomplished, pictures were taken, ads were gotten and in general the Quilna was prepared for the press.

The staff has striven to portray the school life and spirit at Shawnee.

Chief

Despite trials and tribulations this inexperienced staff, under the direction of Editor, Carolyn Loyer, have to the best of their ability, prepared the news for publication in our school paper.

Our sincere appreciation goes to the staff and their advisers for the long hours and hard work spent by them.

Congratulations for a job well done!

Monthly meetings plus special activities were on the Future Homemakers' agenda for the 1951-52 year. One of the special activities was a formal initiation held in the Home Economics Room.

At the meetings games were played and refreshments were served.

The members were divided into two groups to participate in a "Mum" selling contest at Homecoming. From this contest they raised \$50, which was used to buy kitchen utensils.

The Shawnee Chapter of F.F.A. has in every way lived up to the chapter's excellent principles. Mr. Starling has given them training not only in agriculture, but in every phase of life. He has helped them in many ways to be better American citizens.

Some of the activities of this year's chapter were sending of members to camp, sending delegates to National Convention in October, booth at Perry Institute, F.F.A. speaking contest, sending delegates to State Convention, selecting of Chapter queen, Parliamentary Procedure team and Parent-Son Banquet.

El Club Espanol

El club de Espanol, or the Spanish Club, under the direction of Senor Baca, holds a leading place among Shawnee organizations.

Open to all students who are studying or have studied Spanish, the club held initiation for the first-year students in October. During the year the club also had a hayride and a Leap Year party, while the business meetings were held in class.

Another activity of the Spanish students was the correspondence with high school and college students of Spanish-speaking nations and countries, such as Spain, Central America, and South America.

"Now the career pamphlets are here . . ."

No whispering in the Library, Mr. Crites!

Librarians

With the increased enrollment at Shawnee, the library staff is kept quite busy trying to satisfy varied reading interests. The facilities are so limited, however, that the seventh graders have to be excluded. This is the first time this has happened in the history of the school. Even with this limitation our library is one of the best in the vicinity.

The library is under the able supervision of Mrs. Waltz with her corps of well trained librarians.

The script formation of "S".

Band

One of the most thrilling sights to see on the football field is the colorful marching band, the high-stepping majorettes, and the unique formations. It really puts the spectators in a cheering mood.

The band also showed their stuff on the struts in several parades.

Mr. Mills, the conductor, can be given a great deal of praise in developing the band to what it is today and what it will be in the future.

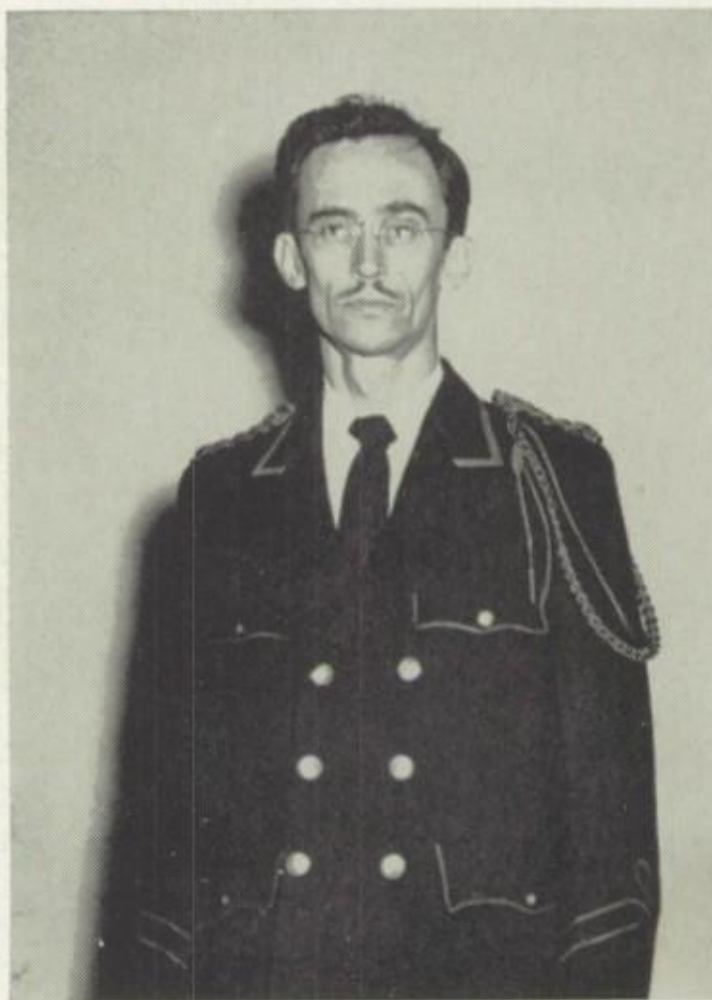

Yes, our band has contributed greatly to our cornerstone of music.

Orchestra

What can be more relaxing than the strains of music coming from our gifted orchestra?

They have supplied music for a lot of occasions this year, the junior and senior class plays and Baccalaureate to mention a few.

It has been a lot of hard work and concentration but it has all been justified by thunderous applause and complimentary words.

Majorettes

Morgan, Gossard, B. Miller, Loyer--drum majorette; D. Miller--head majorette; Rousculp, Lay, Hilyard.

Just look at those girls strut! It is really a spectacle to see them all in step with colorful uniforms and plumed hats.

Everyone stares in awe while our majorettes show their artistic ability. They have adorned other football fields, as well as our own, marched in many parades.

Heading the ever expanding vocal music department, under the direction of Harold Beckett, was the Madrigal and A Cappella Choir.

The newly formed Madrigal proved to be very versatile, but both groups were active in giving programs for various organizations and participating in the carnival and operetta.

Girls' Glee Club

Having glee club either fifth or eighth period, the girls started working in the early fall for their part in the carnival minstrel.

In the spring, after helping with the production of the operetta, the girls' glee represented Shawnee at the District Contest and the Eisteddfod.

As the girls' glee club, the boys spent their fall music periods preparing for the Minstrel.

Also helping out in the production of "Sweethearts," the District, State, and Eisteddfod contests were the goals the boys worked for in the spring.

BLUE PRINT FOR LIVING

THE SHAWNEE WAY

to show that we grow mentally as well as physically

SPORTS during school life . . . another "footer" to Shawnee's foundation. Entering the first full year of Class A competition, the Shawnee boys had many ups and downs, but nothing marred their record for clean sportsmanship.

SPORTS . . . DURING SCHOOL LIFE

Kneeling—Coaches, Mr. Byerly and Mr. Shackelford.

Row 1—Mann, manager, Lehman, Stemen, Shaw, Bolling, Marshall, Volbert, Bowsher, Cooper, Kennedy, Amer-son, Lee, manager.

Row 2—Bradford, manager, Riffle, Wright, Oglesbee, Doyle, Gray, Van Schoyck, Frazee, Kerr, Roller, Shoemaker, Alloway, Kidd, Harris, Pepple, Copeland, Tomlinson and Thompson, managers.

Row 3—Deckrosh, Mason, Wahlie, Hartman, Camper, Williamson, Adams, Jackson, Stevens, Mauk, Custer, Crites, Kerr, Barnes, Reed, Crites.

Football

Coach Lusk, Head Coach Byerly, and Coach Shackelford

With only five lettermen returning from last year's twenty, it seemed that the Indians would have a rugged time to keep the league championship. The tribe lacked a lot of experience, but made it up in fight and the will to play.

They had a very good season, considering the lack of experience of the braves. The record was five wins against only three defeats and one tie.

Football

The upset of the season was the game with undefeated St. Rose. The Cardinals were heavily favored over the Braves, but the game broke open with the Indians scoring twice in the first few minutes of playing time. This did not upset the Cardinals, for they came back and plunged over twice in the second half, to tie the game 14 all.

Another highlight of the season was the game with the favored Forest Rangers, having only one defeat. This did not discourage the Braves. The game was very exciting and the Indians went ahead in the last few minutes of playing time to win by a score of 19 to 14.

Basketball

Coach Shackelford, Head Coach Bricker and Coach Lusk.

The record shows that the Indians were above the medium while winning nine and losing six.

Under the coaching of Paul Bricker, the new head coach, the Braves showed well in all of their contests, even with the Findlay Trojans, who out-classed and even out-scored the Indians.

28.8 is one of the best scoring averages that has been made in this region for a long time. Leonard Volbert was the boy behind this record. "Len," for short, was Shawnee's so-called "One man team," but it takes more than one to equal five.

We congratulate the team, the coach, P. Bricker, and his assistants, K. Lusk and W. D. Shackelford, for the fine work they have shown throughout the season.

Varsity Lettermen

LEONARD VOLBERT, Sr., 6'4", Center, captain of the team, was the pointmaker, with a season's average of 28.8. Chosen on the I.N.S. third Ohio Class A team, and on the A.P. Class A second team, Len has been one of Shawnee's outstanding players.

DICK MAUK, Jr., 5'11", Forward, an outstanding rebounder and defensive player, Dick was also a good shot in his second year of varsity play.

DICK THOMAS, Sr., 6'1", Forward, despite the fact that this was his first year on the varsity, Dick proved to be a good set shot and a valuable player.

FRANK COOPER, Sr., 5'10", Forward and guard, "Coop," a third-year letterman, showed his ability on the floor with his tricky ball handling.

DARRELL KIDD, Sr., 5'6", Guard, "Cueball" was a fast, aggressive player in his first year as a letterman.

LESTER BOWSHER, Sr., 5'9", Guard, "Lec" was an excellent playmaker and feeder for the rest of the boys. This was his first year as a letterman.

LESLIE KENNEDY, Sr., 5'8", Guard, one of the fastest floor men, "Les" made a good showing on defense. This was his first letter year.

PHIL STEVENS, Jr., 6'1", Forward, although Phil started late in the season, he soon became a valuable member of the team. He was an excellent rebounder and passer in his first varsity year.

Cheerleaders

Nadine Hunt, Shirley Riffle, Shirley Camper, and Pat Ford were the peppiest gals at any Shawnee football or basketball game.

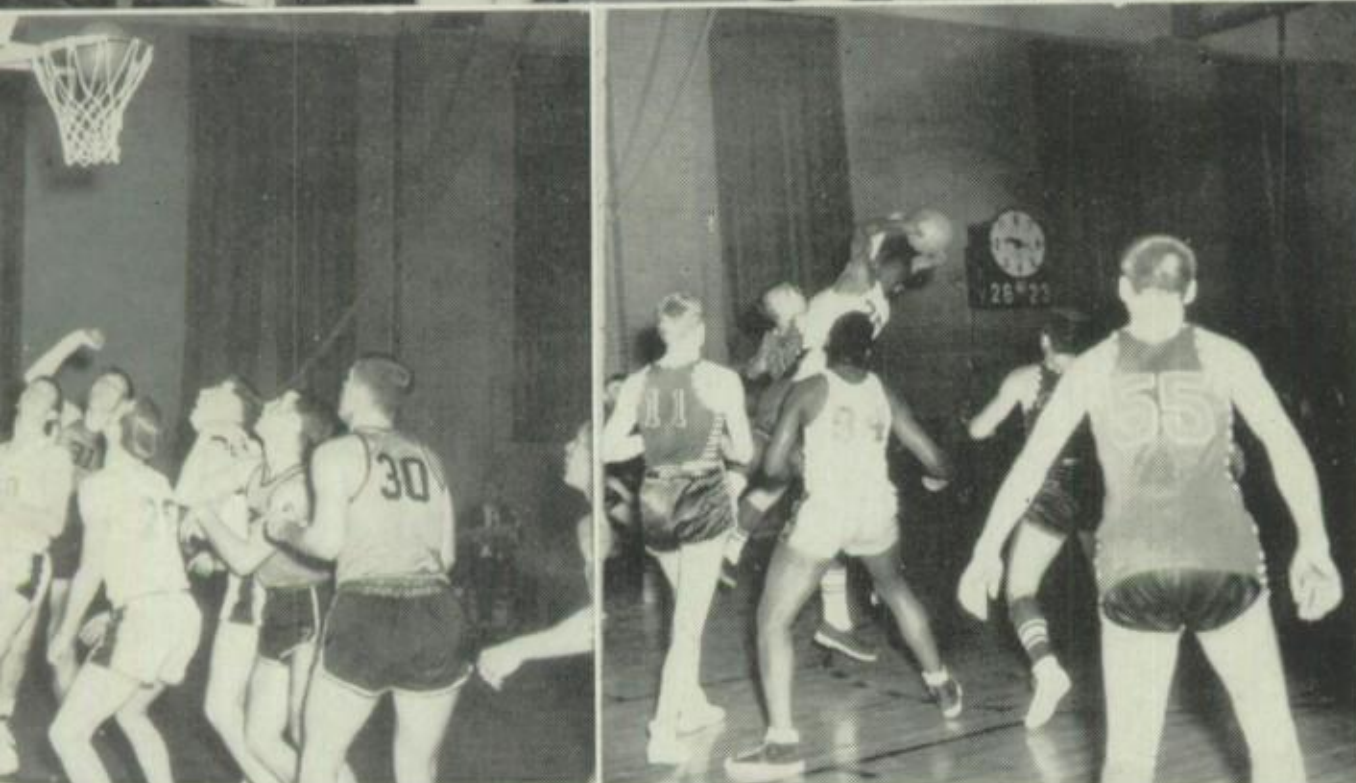

Serving as head cheerleader was Nadine, while Indians, Mary Riemesch and Gordon Clark, provided background.

Basketball Action

Pre-game talk between Volbert, Referee Ned Garver of baseball fame, Elida's Captain Stern, and Referee "Dutch" Layton.

That's "Ed" Ulrick and WLOK in the background, the first game broadcast from Shawnee gym.

Another two-pointer for Len as Mauk, Thomas, Bowsher, and Elida watch open-mouthed.

A jump pass by Cooper as Stevens waits, in the Beaverdam game.

The last minute stall — Kennedy passes to Volbert as Jackson wards off Beaverdam.

We won 56 to 55. Whew!

Baseball 1951

The 1951 baseball season was that of an average team, winning four and losing three.

The Indians did not show well in their first Class A tournament, as they were knocked out in the first game by Defiance, the eventual tourney winner.

Highlighting the season were the games with St. Rose and Lima South. Both proved to be thrillers, with Shawnee winning over South and losing to St. Rose, later State champs.

Neil and Jay Shaw were the two hardest-hitting Braves, as they both hit over the .400 mark.

1951 Track

This was the first year for Shawnee in Class A competition and a four-way meet with Spencerville, Columbus Grove, and Lafayette, plus the Northwest conference championship, were the Indians' only wins.

Central, South, and Bellefontaine were too much for the Braves, as they lost three dual meets and did not place in the Lima Jr. Olympics.

Bob Custer made a new high jump record at the Jr. Olympics, and Jay Shaw, Gib Knecht, and Frank Cooper went to the Bowling Green District Meet where Cooper placed first in the high jump, and therefore qualified for the State Meet.

ELEMENTARY

...DURING SCHOOL LIFE

This is the division for which Shawnee is now building. Growing out of its second floor rooms, the elementary department is looking forward to the day they move to the new 15-classroom addition.

This was the year, in the overcrowded state, of two teachers to a room or 3 teachers for two rooms, over 50 pupils in a room, small classes held in halls or any convenient spot, and other discomforts.

RHEA W. EARL

Elementary Principal

Life this year in Shawnee Elementary has been a challenge to parents, pupils and teachers. How well it was met is shown by the stimulating way in which all concerned contributed to learning together, working together and living together.

As we watched our new building become a reality, we thought of the strength and promise that have been given us from earlier days at Shawnee. We plan for and look forward to even better learning situations, continued curriculum development and finer human-relation techniques.

Dave: "Well, she's always trying to reduce
expenses. When I go to see her every
evening, she puts out the light and in-
sists that we both sit on the same chair."

Remember—Dec. 18 to Dec. 21?
